

Accelerated Math Online Instructions

1. Go to <https://hosted182.renlearn.com/220028/homeconnect/>

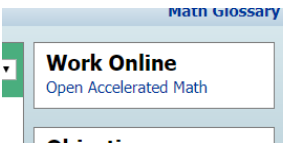

2. Login using your Renaissance Place username and password.

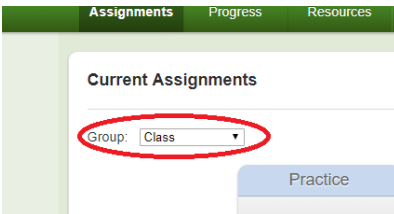

3. Select the math tab.

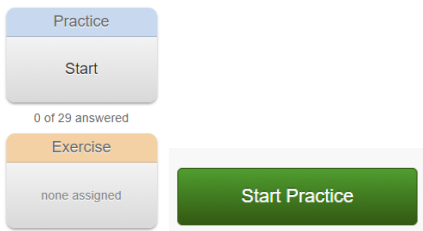

4. Under the Work Online section, click "Open Accelerated Math".

5. Select your assigned group from the Group dropdown menu.

6. Work on practices and exercises online.

7. Click the Problem Help tab for online resources, including a glossary, problem examples, and video tutorials.

8. Click submit when you have answered all the questions. Review any questions you missed. A new practice will be assigned under the practice section.
